### About This Book

Come join Carmin and her friends as they take their first big-kid steps through life! From playgrounds to dance recitals, the Pumpkinheads are always on the go – but they're never too busy to learn the importance of helping, sharing and loving the world around them.

The fun begins with *Carmin Cares*. When a day at the park doesn't go as planned, find out how Carmin takes a stand! Ready to play, Carmin and her pup, Peanut, find themselves in a sticky situation! When Carmin gets gum stuck on her shoe, she decides something has to be done about the mess on the playground.

And in *Ella Shares*, Ella's toys are beyond compare, but playtime's more fun when she learns to share! Flaunting her toys but keeping them to herself is not much fun after the other kids lose interest. Left alone, Ella decides to make it up to her friends.
