About This Book

Come along with Fly Guy as he asks (and answers!) over 50 “why?” questions! Why do I have to brush my teeth? Why do cats climb trees if they can’t get down? Why do elephants have trunks? And more! There are also science projects and fun activities – so kids can use what they’ve learned in a hands-on way!

Includes engaging full-colour photographs on every page, content appropriate for a young audience, humorous artwork, and colourful comic strips starring their favourite character.
