About This Book

*Groovy Joe is totally fun.
He's a tail-wagging, song singing party of one!
And he rocks like this:
Disco party bow wow!*

The dynamic duo of Eric Litwin and Tom Lichtenheld are back again in another groovy story that will have little ones singing, dancing and learning math to a whole new beat.

In his second book, Groovy Joe has a dance party. Uh oh! More and more doggies are knocking on his door, asking to come in. Will there be enough room for everyone? Joe knows just what to do and soon enough he has everyone moving and grooving!

Signature rhyme, repetition and musical writing style, combined with wild and witty illustrations and infused with gentle math concepts come together to create an unforgettable new story all about positivity, creativity, math and kindness.

Watch out: Groovy Joe is back and he's ready to get groovy!
