About This Book

It's been a year since the events at Freddy Fazbear's Pizza, and Charlie is just trying to move on. Even with the excitement of a new school and a fresh start, she's still haunted by nightmares.

Charlie thinks her ordeal is over, but when a number of bodies are discovered near her school – she finds herself drawn back into the world of her father's frightening creations. Something twisted is hunting Charlie, and this time if it finds her, it's not letting her go.
