

# Booktalk!

## Dinosaurs in 3D

Written by Lisa Regan

Grades K-1

32 pages

Primary 2 / Early Learning

## About This Book

A first look at some of history's most awesome creatures – up close and personal!

Simple text and bright pictures, along with illustrated panels showing added details make this perfect for kids who love learning! The very latest information dispels myths with the latest findings and theories.

The dinosaurs will jump off the page with the 3D glasses!
