About This Book

“Once upon a time,” begins the big blue monster who is trying to tell a fabulously scary story. “It needs to be about a kid who is eaten by a dragon,” he insists. But his little monster friend is not convinced that this is a good idea. “Dragon stories usually don’t end well,” he warns.

As the two monsters bicker over how to tell their story, a hungry dragon named Dennis is lurking nearby. And he knows just how this story should go...

This funny, lighthearted picture book by former elementary school teacher, Jon Stahl, is an ideal story-starter for units on creative writing.
