### About This Book

Oliver wants a girlfriend, and there's a girl back home who might be interested in him. The problem is, he has to spend his spring break on a volunteer trip in the Dominican Republic. Flora, on the other hand, isn't really looking for a boyfriend. She just wants to end a miserable spring break visiting her dad and her new stepmom in the D.R.

The solution to both their problems? Get back home to New York ASAP. Sadly, they won't be getting there anytime soon.

Their hopes are dashed when Flora's impulsiveness lands them in quarantine – just the two of them. Now, the two teens must come together in order to survive life in a bubble for 30 days. In that time, love will bloom. But is it the real thing, or just a placebo effect?

In her debut novel, Katie Cicatelli-Kuc delivers an introspective and witty story about finding love in the most unexpected place.
