### About This Book

Ivy's always preferred to lay low, unlike her best friend Harold, who has taken up a hundred activities as sophomore year begins. But Ivy has her own distraction: the new anonymous art-sharing app, VEIL.

Being on the sidelines has made Ivy a skilled observer, and soon she discovers that some of the anonymous posters are actually her classmates. While she's still too scared to put her own creations on the app, Ivy realizes that she can contribute in an even better way – by making gifts for the artists she's discovered. The acts of kindness give her such a rush that, when Ivy suspects Harold is keeping a secret, she decides to go all in. Forget gifts – Harold needs a major party.

But when her good intentions thrust her into the spotlight, Ivy's carefully curated world is thrown into chaos. Now she has to find the courage to stand out...or risk losing everything and everyone she loves most.
