About This Book

Ben Braver is an ordinary kid. All he wants to do is finish his summer watching awesome TV shows and eating his favourite candy. But when some kid screams for help, Ben, like his favourite comic book heroes, tries to save the day. Let's just say it ends badly. But it does lead him to a secret school where kids with super abilities learn to control their powers. Ben's never had any powers – and never thought he could be special. So when he's offered a spot at the school, Ben realizes this is his chance to become the superhero he's always dreamed of being.

Packed with black-and-white art and comic strips throughout, *The Super Life of Ben Braver* is the first book in a hilarious adventure series about the greatness that lies within any middle schooler who dreams big.
