

The Forgotten Girl

BY INDIA HILL BROWN

Iris and Daniel sneak into a clearing in the woods to play in the freshly fallen snow and discover a neglected and forgotten Black cemetery, dating back to a time when White and Black people were kept separate, in life and in death. Determined to have proper respect paid to all who were buried there, they accidentally awaken a jealous and demanding ghost who is searching for a best friend forever – no matter what the cost.

BEST FOR GRADES 7 & UP
