

## Stepsister

BY JENNIFER DONNELLY

Isabelle is about to marry a prince...except she isn't the beauty who captured his heart; she's the ugly stepsister. When the prince discovers Isabelle's deception, she's banished, and destined for a life of misery. That's what Isabelle believes until she finds herself in the midst of a battle between Fate and Chance. Fate believes that she can never change her destiny, but Chance believes otherwise. And so, Isabelle is given the opportunity to harness strength she never knew she possessed.
