

## Bendy and the Ink Machine Dreams Come to Life

BY ADRIENNE KRESS

Buddy wants to become an artist – a dream he’s sure will never be realized. But that all changes when a delivery job puts him face-to-face with the eccentric owner of an animation studio who takes on Buddy as an apprentice. But not everything at the studio is as picture-perfect as it seems... and Buddy is determined to find out just what is tormenting the studio after hours.

These books provide ways to develop literacy skills and kids’ love of reading in addition to enriching their gaming experiences with additional knowledge, world building, and strategies. Teachers, librarians, and parents can use them to engage and support growing readers of all ages and interests.

**BEST FOR GRADES 7 & UP**
