

Ever since her older brother disappeared, Jen has been searching for answers. The ruins of Bosco Bay – the theme park where he was last seen – are due to be demolished any day now, but Jen can't let go of the feeling that a clue to her brother's fate still remains there. In fact, Jen believes her brother didn't just run away, and that the reclusive theme park designer, Mr. Peterson, might just know what happened to him.
