# The Many Moods of Me Journal

A journal that knows exactly how you feel.

Here at Klutz, we think being moody gets a bad rap. After all, feelings are what make you, well, you. So, we designed a journal jam-packed with gorgeous, hand-drawn prompts that celebrate your emotions—the good, the bad, and the weird.

**The Many Moods of Me Journal** is your all-in-one companion on the quest to work out what's going on inside your head. Just slip on our magical mood ring to get a read on your feelings, find the corresponding colour on our 6-colour (addictively clickable) mood pen, and then flip to the section tailor-made to help you find your centre no matter where your head's at. Rate your mood on a scale of "swell" to "out of sorts," write postcards to your future self about how you're feeling, and boost your mood with quirky doodles.

Being moody is no longer a bad thing. You're welcome.

We provide 10 fabric swatches so kids can try out tons of designs. Once they’ve found their favourites, they can use the same easy technique and materials to refashion anything in the closet. It’s the perfect craft for fashionistas-in-the-making and creative kids who like to colour outside the lines!
