Le grand secret de Clarence

Clarence's Big Secret

Award-winning author Roy MacGregor brings us a moving picture book based on a true story.

Clarence Brazier kept a big secret for nearly one hundred years: he doesn't know how to read. But when his wife passes away — the only one who knew his secret — he decides he wants to learn. Will Clarence let his age stand in the way?

This inspiring true story highlights the power of literacy and the importance of never giving up!

ROY MACGREGOR is an author, columnist and feature writer for *The Globe and Mail*. He is also the author of nearly 40 books, 23 of them in the internationally-successful *Screech Owls Mystery* series for young readers.

CHRISTINE MACGREGOR CATION is a high school teacher in the field of visual arts. *Clarence's Big Secret*, co-written with her father, is her first picture book. Like Clarence, Christine was reluctant to read and write as a child. Today she loves to read, especially with her children. Christine lives in Kanata, Ontario.

MATHILDE CINQ-MARS was born in Quebec. She now lives and works in Trois-Rivières. She has worked as a freelance illustrator for the last five years for many Publishers and magazines. She is the illustrator of ten children books and graphic novels.

★ PRAISE FOR *LE GRAND SECRET DE CLARENCE*

- “ This is a well-written ode to motivation, perseverance, and the idea that it's never too late. ” ~ *Kirkus Reviews*
- “ The engaging text tells an unusual story with just enough detail to give it a period feel, bolstered by the well-composed drawings with washes of gentle color and plenty of understated charm. A memorable picture book. ” ~ *Booklist*

Clarence received the award for Governor General's Caring Canadian Award

SEPTEMBER 8TH
INTERNATIONAL
LITERACY DAY

Les années ont passé. Les filles ont terminé leurs études, se sont mariées et ont fondé leurs propres familles.

Clarence était un grand-père merveilleux! Il racontait des histoires, chantait des chansons et jouait des berceuses à l'harmonica. Il promenait ses petits-enfants sur son dos. Et quand ils sont devenus plus grands, il leur a montré comment couper du bois et tailler les buissons pour obtenir de meilleures baies.

Dino-Halloween

Trick or treat! There's so much to do on Halloween, it's almost impossible to fit it all in! Between haunted houses, carving pumpkins, making costumes, and more, there's never a shortage of fun. But when you throw in everyone's favourite dinosaurs, it's even more fun than we could have thought!

This spooky picture book will enchant all the ghouls and gremlins that cross its path.

#2: Pug's Snow Day

It's a snow day, and Bella is thrilled. There's no school, so she and Carlin can play outside all day. Trouble is, Carlin does not like the snow — it's slippery, freezing cold, and wet! What's even worse, there's a new kid next door, and he has a scary, monster-sized pet. Can Carlin get past his fear of the snow and make a new friend at the same time?

Growing up, **KYLA MAY** lived on a close-knit tree-lined avenue. This is where she met her childhood best friends (who are still her dearest friends). Together they created their own girls club, where Kyla was "president" of sticker collecting and roller-skating activities. Through these childhood best friends, Kyla discovered her endless imagination. Kyla lives near the beach in Australia.

★ **PRaise for the Series**

“May's cutesy, full-color cartoon art sets the tone for this pug-tastic romp for the new-to-chapter-books crowd. Bub's infectious first-person narration pushes the silly factor off the charts.”

With an introduction by Tui T. Sutherland, the *New York Times* bestselling author of *Animal totem : N° 5 - Trahisons* and the *Maîtres des dragons* series, this collection sheds a light on the past, present, and future of the boy who would be conqueror — and the role Shane has yet to play in the dangers still to come.

Amazing Hockey Stories: Hayley Wickenheiser
