

# My Feelings

**Draw how you feel in these situations.**

<p>You are invited to your best friend's birthday party.</p>	<p>You scraped your knee.</p>	<p>Your sister took your game without asking.</p>
<p>After practising for months, you can finally ride a two-wheeler.</p>	<p>You just had a nightmare.</p>	<p>You can't find anyone to play with.</p>
