

S'NOT SLIME

Want a superpower like the one booger-girl Jess Flem has? Try out this easy recipe to create your own secret weapon!

WHAT YOU NEED:

- Adult helper
- 125 mL (1/2 cup) clear glue
- Green food colouring
- 250 mL (1 cup) liquid laundry starch
- Large bowl
- Mixing spoon

WHAT TO DO:

1. In a large bowl, stir together the glue and 6 - 8 drops of the green food colouring.
2. Once you have the desired colour, slowly stir in the liquid starch. Use a spoon or your hands to mix the glue and starch together.
3. Add starch as needed. The final consistency should feel smooth and rubbery.
